EDUCATION

Certificate in Web Development

CareerFoundry | Sept. 2016 - Mar. 2017 | Melbourne, Australia

-
- A 6-month intensive course in Web Development, specialising in Front-End and Back-End key fundamentals.
 - With over 400 hours of study, I acquired proficiency in building dynamic and consumer-focused Rails applications, which contain visually appealing elements and successfully process data through the database.
 - During this course I've designed and implemented a fully functional eCommerce web app, able to take credit card payments and make server requests through AJAX and the JSON API.

Master in Educational Sciences

Pedagogical State University | Sept. 2011 - Jan.2013 | Chisinau, Moldova

WORK EXPERIENCE

Sales Specialist

Tom Ford | Feb. 2016 - Mar. 2017 | Melbourne, Australia

By delivering service to customers I developed soft skills like:

- Actively looking for ways to help people.
- Talking to others to convey information effectively.
- Interpreting, screening, needs identification, diagnosing.
- Adjusting actions in relation to others' action.
- Conflict resolution, organising, troubleshooting, establishing rapport.
- Considering the relative costs and benefits of potential actions to choose the most appropriate one.

Teacher of English as a Foreign Language

Waldorf School | Mar. 2012 - Jan. 2013 | Chisinau, Moldova

Teaching experience provided me with transferable skills like:

- Giving full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate.
- Identifying complex problems and reviewing related information to develop and evaluate options and implement solutions.
- Evaluating, examining, assessing performance, monitoring progress.
- Organising multiple tasks and responsibilities while meeting deadlines.
- Using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems
