Previously an educator and a sales specialist, currently an aspiring web developer looking for a first work experience in IT field. While living in Australia, France, Netherlands and Moldova I have become highly adaptable to new environments. During my work experience in sales I gained excellent communication skills. My degree in education has given me techniques to acquire new skills fast. Now I am ready to take on new challenges.

AREAS OF EXPERTISE

- HTML5 & CSS3
- JavaScript, jQuery
- Bootstrap Front End Framework
- Ruby on Rails
